A large-scale graphic featuring the words "FEMINISM" and "ANTIRACISM" in bold, sans-serif type. The word "FEMINISM" is in orange, and "ANTIRACISM" is in pink. Both words are partially cut off on the right side. Behind the text is a background of numerous small, semi-transparent white silhouettes of people of various ages, ethnicities, and body types, all holding up their right fists in a gesture of protest or solidarity. The overall composition is a powerful statement of intersectional feminism.
